"A FOGGY DAY"

"IT MIGHT AS WELL BE SPRING"

Foreword

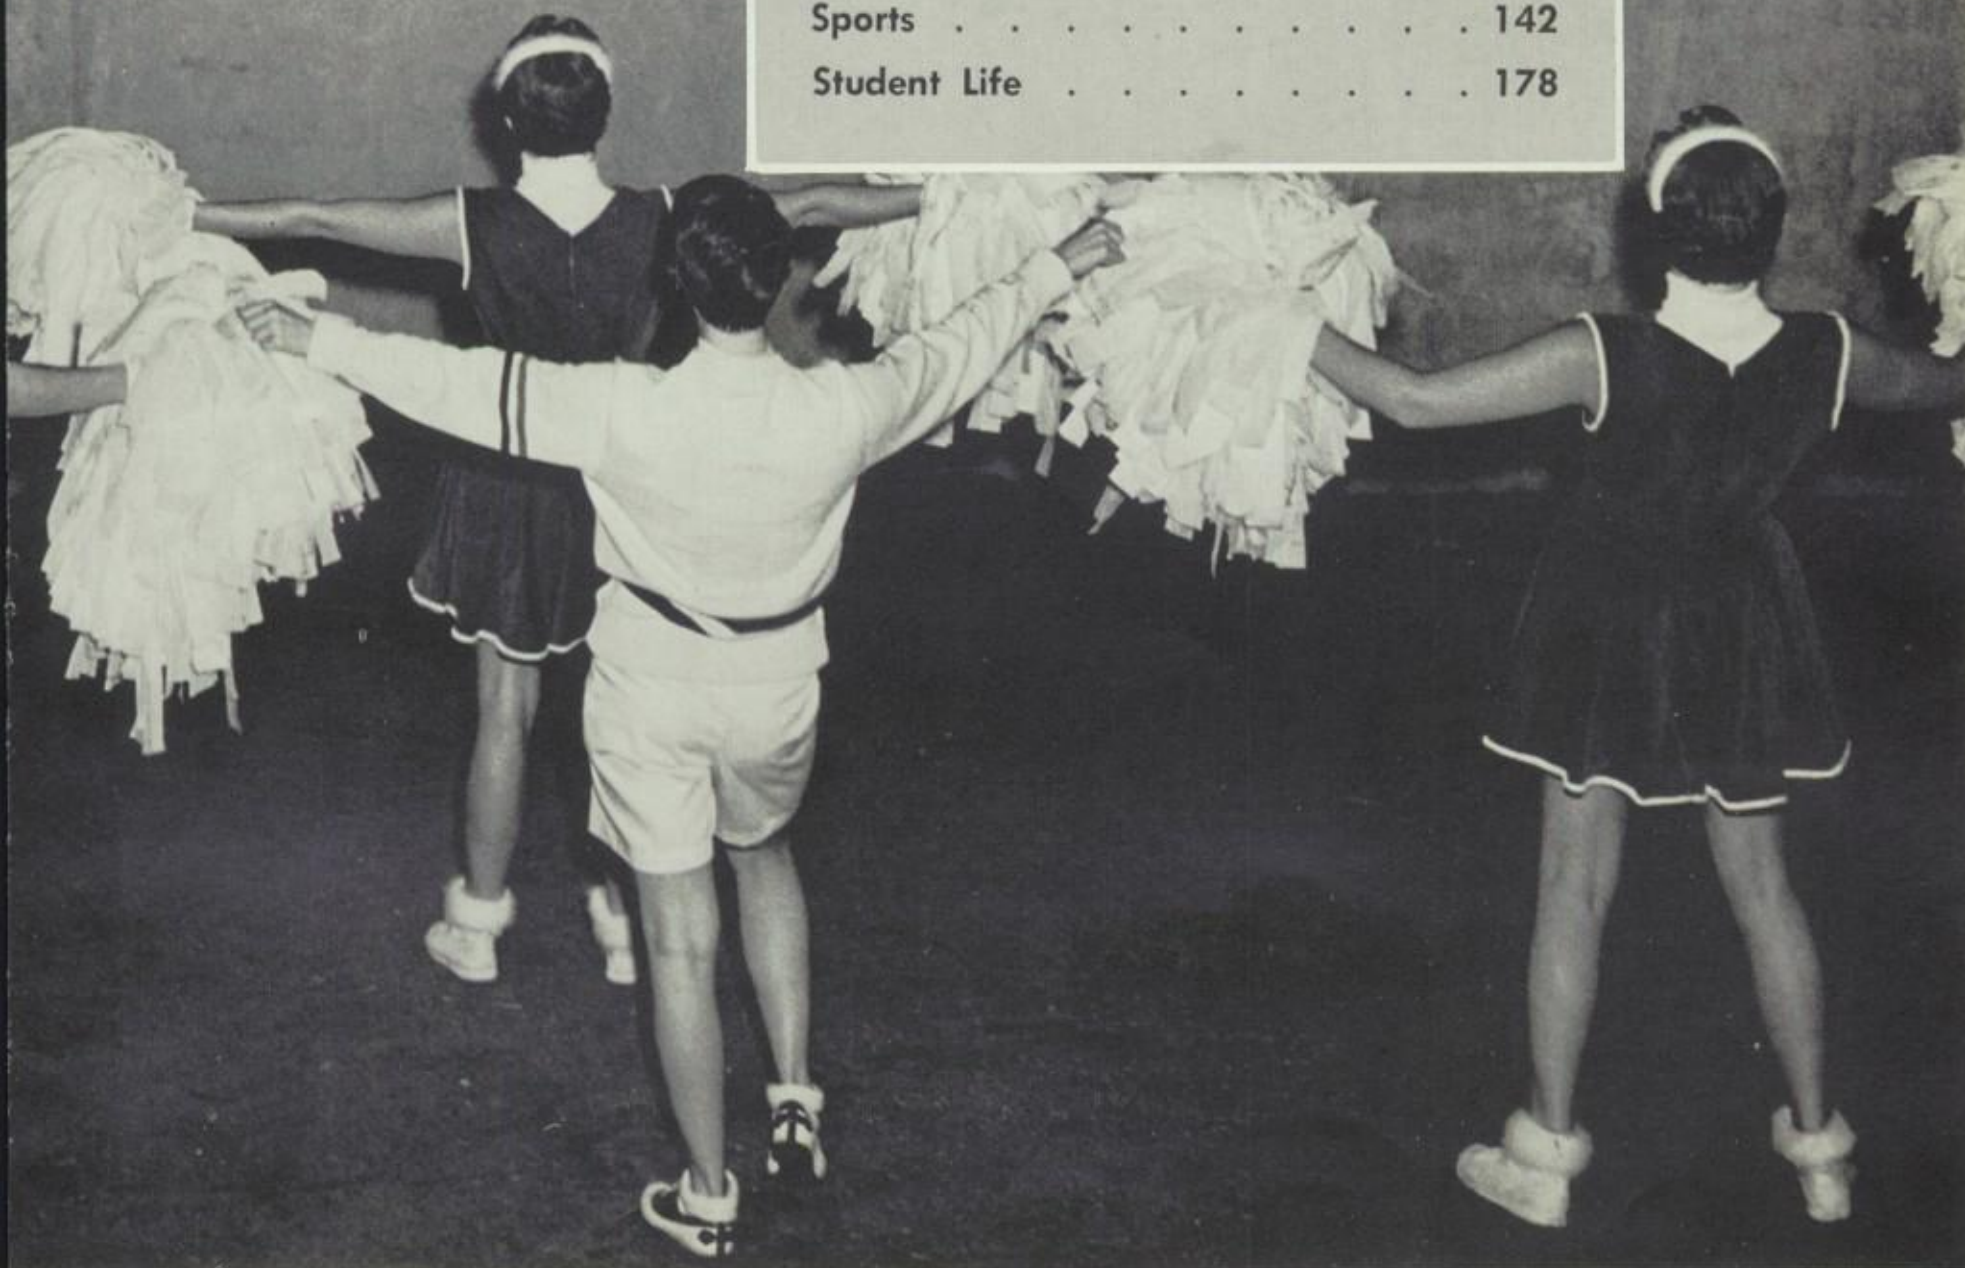

SANTA BARBARA HIGH SCHOOL is a song. But what kind of song? Is it the metronomic tick of the classroom clock, the humdrum of everyday classes, or the harmony made by faculty and students working together on special occasions? It is all of these, making the music of memories.

"I'm Available"

TAKING A BREATHER from their busy schedules are Mr. George Browne, Assistant Superintendent of Schools; Dr. Norman Scharer, Superintendent of Santa Barbara City Schools and Mr. Douglas White, Director of Secondary Education.

THE PLANNERS of policies are the members of the Board of Education. They are, left, Mrs. Elizabeth P. Henderson; Mr. David S. Liker; Mr. C. E. Sovine, President; Mr. Joseph Paxton and Mr. Bruce O'Neal, Vice-President.

RESPONSIBILITY for the entire school system rests upon the shoulders of the Board of Education, the superintendent, and his two assistants. Much of their time this year was spent on plans for new schools.

Administration

NOT NEW to many SBHS students, Principal Claude Hardesty served as head of La Cumbre Junior High School and Harding School before his appointment here. Mr. Douglas White, principal for the past three years, was appointed assistant superintendent, instructional services, to replace Dr. Charlotte Elmott, who is now Research Director of the California Committee on the Older Girl and the Law, working at UCLA.

Mr. John Nordenson, vice-principal, dean of boys, has many responsibilities. He assists in the planning of all school activities for the year.

Mr. John Greene, head counselor, advises Boys' League, and is sophomore boys' counselor.

Mr. Louis Tsoutsouvas, dean of business, takes care of all SBHS's finances.

Mrs. Ernestine Shean, registrar, handles transcripts, and is in charge of all scholarships.

MR. LOUIS TSOUTSOUVAS, dean of business, Mrs. Ernestine Shean, registrar, and Mr. John Greene, head counselor, work for the general benefit of the student body.

MR. CLAUDE HARDESTY, principal, Mr. John Nordenson, vice-principal, and Mrs. Zelma Pierce, dean of girls, gather in the office for one of their conferences concerning the students.

MRS. MELBA SMITH, counselors' office secretary.

THE COMPLICATED JOB of keeping all records, such as IQ tests, aptitude tests, and ability tests, falls to the SBHS office staff. Added to this confusing list, they look after bus passes, merit lists, diplomas, athletic eligibilities, and our ever-jammed lost and found. This year the cafeteria staff presented a la carte menu for the first time. The demanding job of planning, choosing and cooking the proper foods is also done by the staff.

MRS. MARY DUFF, who substituted for Mrs. Alrena Lee during her absence, and Mrs. Katherine Belshaw, seated at typewriter, are secretaries in the principal's and vice-principal's office.

MRS. ENID SALLAWAY, dean of girls' secretary.

MRS. HAROLDINE ELLIS and Mrs. May M. Willhite are secretaries in the attendance office.

ROW ONE: Mrs. Christina Rodriguez, Miss Dorothy Bonner.
ROW TWO: Mrs. Grace Clark, Mrs. Ruth Garcia, Mrs. Milly Sanchez, Mrs. Lillian Holdsworth.

MRS. HELEN GILBERT, secretary to the business manager.

Staff

MRS. JUNE BOWMAN, right, librarian, discusses a new edition, one of many this year, with Mrs. Virginia Olsen, library and audio-visual clerk.

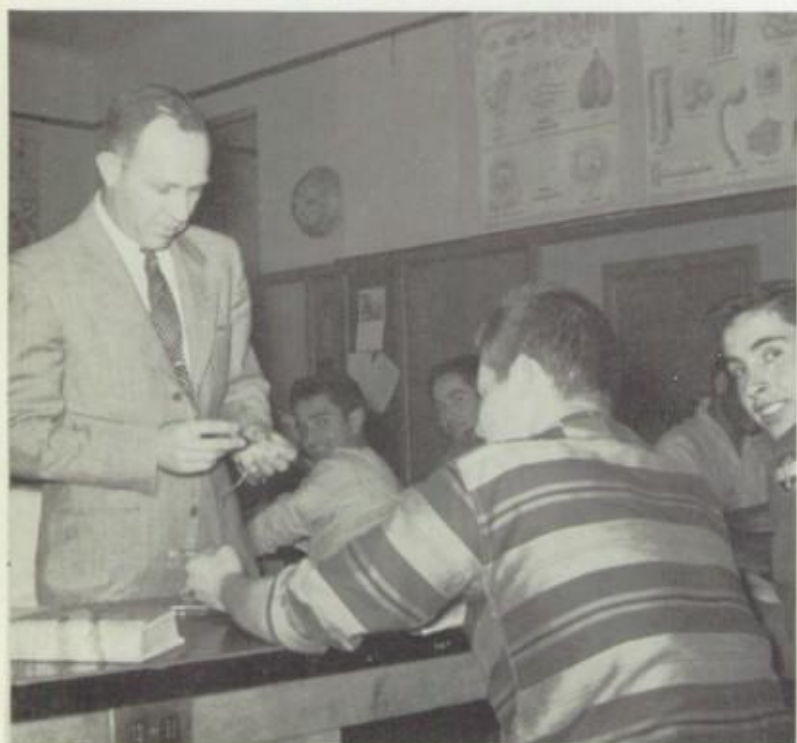

MRS. SUE R. TARBI, our indispensable nurse, shakes down the thermometer for her next case.

THE LINE WAS long for the thermometer in the nurse's office during the flu epidemic, but due to her watchfulness the epidemic was limited. She and her assistant, Mrs. Ellen Rowe, help the City Schools physician, Dr. L. C. N. Wayland, in giving physical examinations for athletic eligibility, besides keeping all health records on individual students.

SBHS STAFF MEMBERS taking a coffee break are Mrs. Helen Gilbert, Mrs. Ruth White, Mr. Sam Cathcart, Mrs. Virginia Olsen, and Mr. William Crow, teasing Mrs. Gilbert.

WHICH do you think is harder? Finding the stamen and pistil of a flower or following the circulatory system of a human? Mr. Robert Kaiser is dissecting a flower for students in his biology class.

TEACHERS in the Santa Barbara area visited local firms on Business Education Day. A representative of the Southern California Gas Company conducts a question and answer period.

MR. C. E. SOVINE, president of the Board of Education, and Mr. Yale Griffith, attorney, are breaking the ground for the new San Marcos High School. Seated in the background are Mr. Donald Stillman, principal of the new school; Mrs. Elizabeth Henderson, member of the board of education, and Dr. Norman B. Scharer, superintendent.

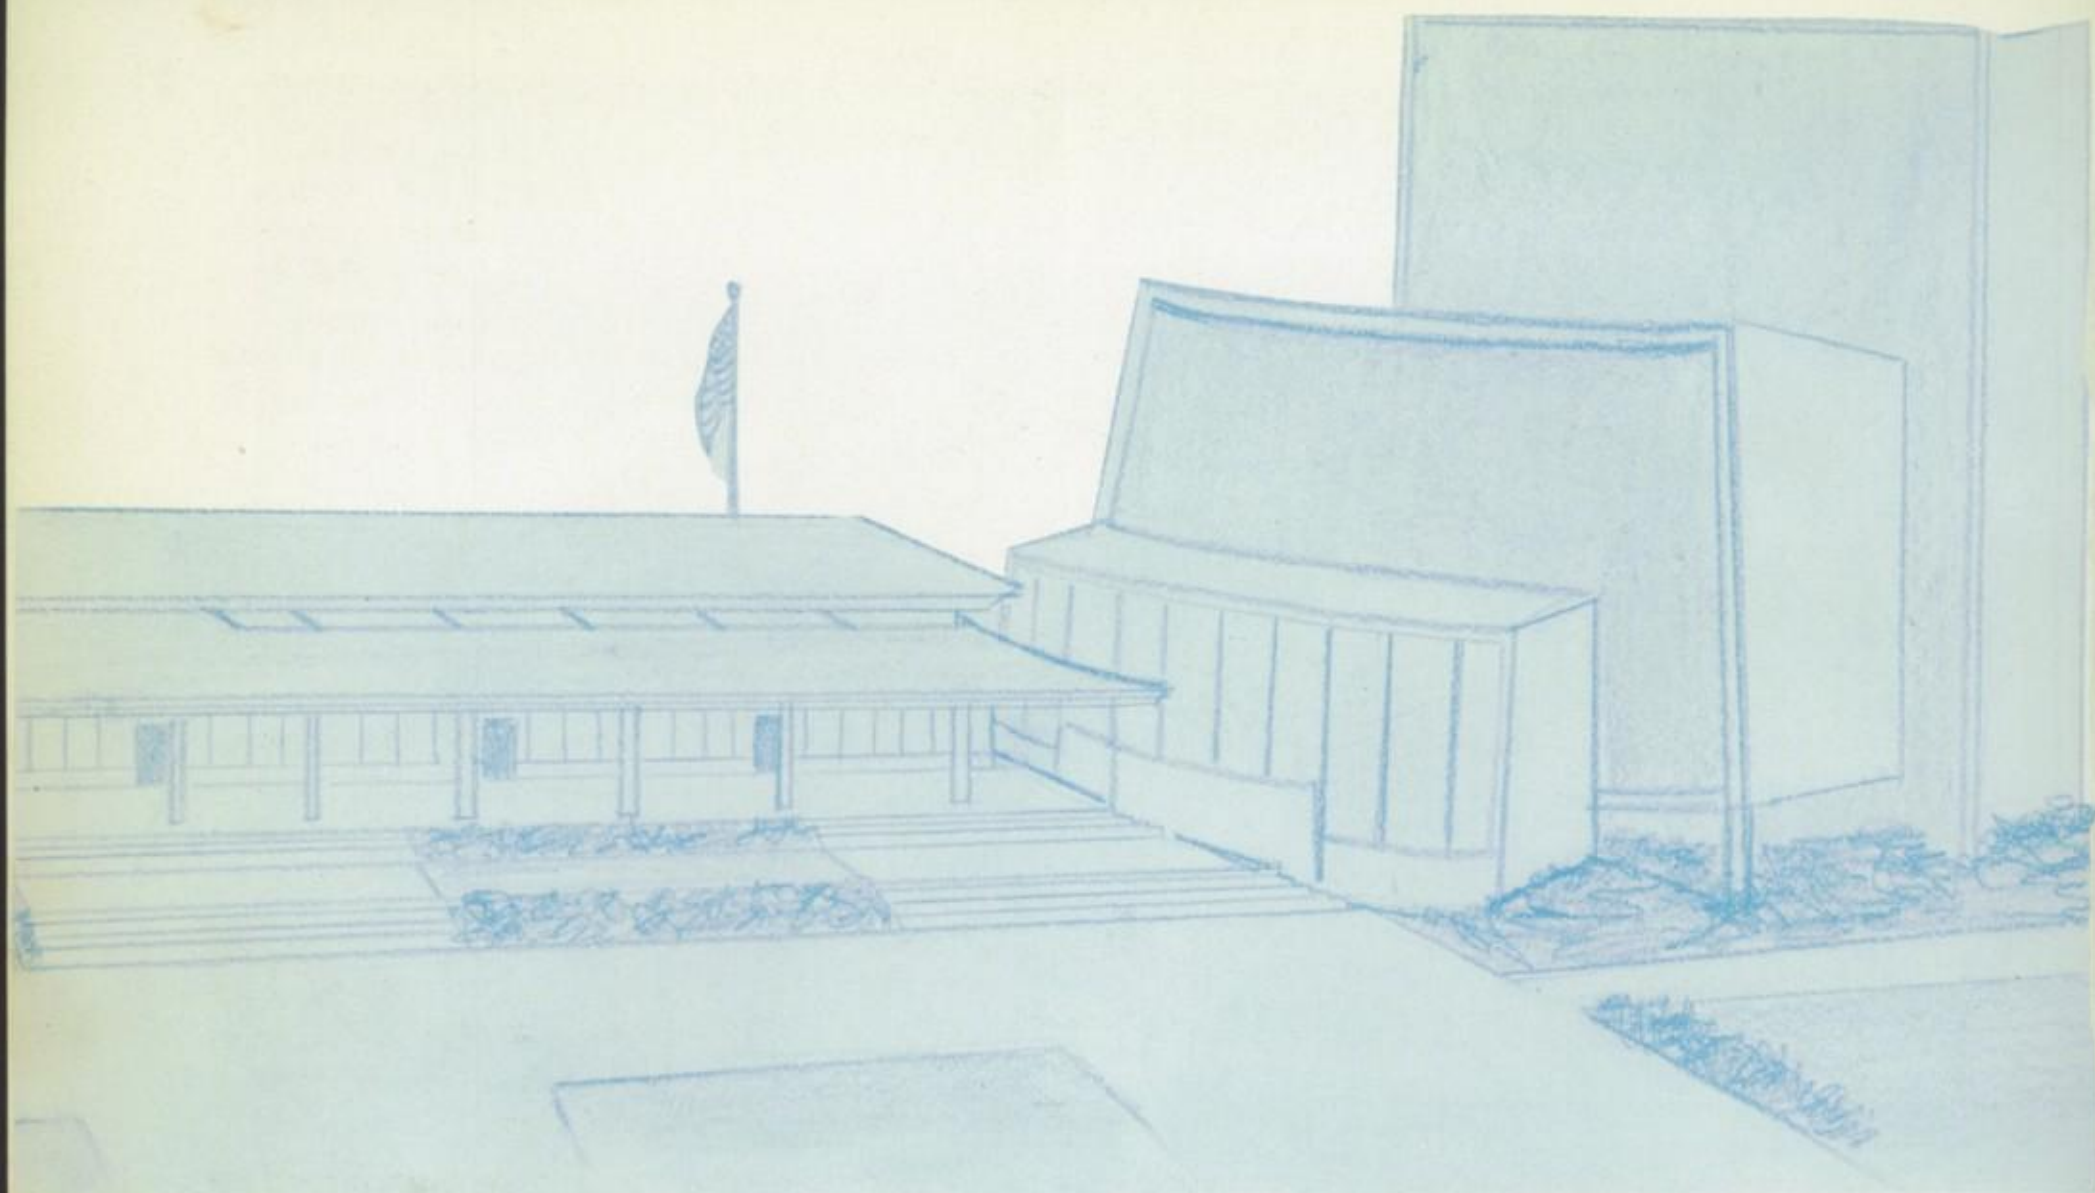

MR. FRANK PRIESTER performs one of the many jobs "above and beyond" as a student buys a ticket for a basketball game.

Aside from teaching

TEACHERS ARE human too. They also have to stand in line for their lunches.

AN IMPORTANT LINK between our faculty and community is Miss Shirley Sanchez, telephone operator.

San Marcos
High School

WITH PROGRESS for San Marcos High School well under way, Mr. John Boettner, Mr. Donald Stillman, and Mrs. Louise Gould are anticipating moving into the new plant September of 1959.

The new school will enable teachers to have fewer students in each class and they will therefore be able to render much more individual help.

The plans are for a single floor building, centralized around the administration section.

The site for this new building is the junction of Turnpike Road and Hollister Avenue.

Counselors

COUNSELORS HAVE many other duties besides counseling students. They help students to understand and like school. Students and their counselors work together to pick the right subjects so that after graduation they will be able to take part in community life, or go on with further education.

Counselors help in personal problems also. When serious problems arise the students meet on Friday afternoon with counselors and parents. The senior counselors are pictured at left, Miss Dorothy Cotton and Mr. Harold Dierenfield; guiding the juniors are Miss Barbara Wright and Mr. Paul Crawford, and working with the sophomores are Mrs. Anne Scales and Mr. John Greene.

MISS DOROTHY COTTON closes her office door for a heart to heart talk with one of her girls.

MISS BARBARA WRIGHT exclaims over the flash of the camera.

DID YOU ever see a counselor resting? Miss Dorothy Cotton and Mr. Harold Dierenfield take time out for a chat about the latest Forge.

IT WOULD be interesting to know what these two, Mrs. Anne Scales and student are talking about, wouldn't it?

ROW ONE: Mr. John Nordenson, Jeannie Wall, Program and Rally chairman; Linda Rearwin, treasurer; Chuck Pruess, president; Steve Tharp, vice-president; Caroline Grimm, secretary. ROW TWO: Pete Nissler, yell leader; Joanie Rudolph, pep leader; Happy Lee, pep leader; Adele Smith, pep leader; Chloe Wilder, song leader; Shirley

Camargo, yell leader; Perry Nissler, yell leader. ROW THREE: Margaret Murphy, Forge editor; Bonnie Toxby, girls' athletic manager; Sam Dumas, boys' athletic manager; Marilyn Mack, defense attorney; Wanda Whitehouse, radio editor.

ASB Officers

THE STUDENT BODY officers who served this year were chosen in the annual elections held each spring. To be eligible for an office you must have an 'A' in citizenship and a 'B' in scholar-

ship. Petitions are handed out by the prospective candidate to be signed by fifty students. If he succeeds a vigorous campaign follows.

ROW ONE: M. Saxe, V. Vickery, L. McKary, B. Monian, S. Howard, P. Shoudy, W. Whitehouse, B. Temple, B. Gerdes, R. Engle, M. Canatsey. ROW TWO: P. Nissler, C. Wilder, E. Lee, J. Rudolph, P. REPRESENTATIVES of each homeroom, together with the student body officers, form the nucleus of student government. It is the responsibility of these students to discuss and decide school regulations. Values gained from legislature membership are experience and satisfaction in improving school government.

M. Hallor, D. Rearwin, B. Bowman, B. Harley, M. Mack.

Student Court

A THRILLING CASE of tardiness is now at the stands! The defense attorney is presenting its case. He, (or she) is an elected ASB officer, and appoints one or more assistants in order

that the law-breaker may have a fair chance. The Chief Justice, also an elected officer, and his associate justices decide the fate of the defendant.

Deputies

ARE YOU GUILTY? If so, the deputies are bound to find out. These volunteers are headed by the attorney general who is elected by the ASB. Their job is to enforce school regulations.

ROW ONE: L. Moe, J. Barnett, B. Harley, W. Simpson, R. Bowser. ROW TWO: L. Dearborn, P. Jameson, L. Tomason, B. Guevara, M. McGowan, L. Mironda, L. Sizer, K. Jacobs.

This committee works with the principal in presenting numerous trophies at different functions. A trophy is given to the outstanding sophomore of the year. All ASB officers and committee chairmen are awarded certificates of merit.

Open Campus Committee

TWO YEARS ago Open Campus Committee was formed to look into the possibility of an open campus. During those two years they received many different complaints about littering the streets and reckless driving. The committee works on these problems in an attempt to maintain an open campus.

ROW ONE: P. Patrick, N. Schall, G. Daniel. ROW TWO: B. Watson, Mr. J. Nordenson, L. Lane, R. Jones.

Social Committee

FUN FOR ALL! That's the Social Committee's aim. By planning and managing all ASB social activities, these committee members plan a well-balanced year of activities for everyone. Their main social events are the Pigskin Prom and Winter Wonderland.

Principal's Message

The class of '58 is to be congratulated for their many fine achievements while at Santa Barbara High School. We are sure that the good work you have done here is indicative of the contributions each of you will make in your community, as you assume the responsibilities as adults in your chosen field of work. We know you will meet the challenge of each new problem with the same enthusiasm and understanding which you have displayed these past three years. Our best wishes go with each and every one of you. Again congratulations and best of luck to all.

C. H. Hardesty, Principal

Senior

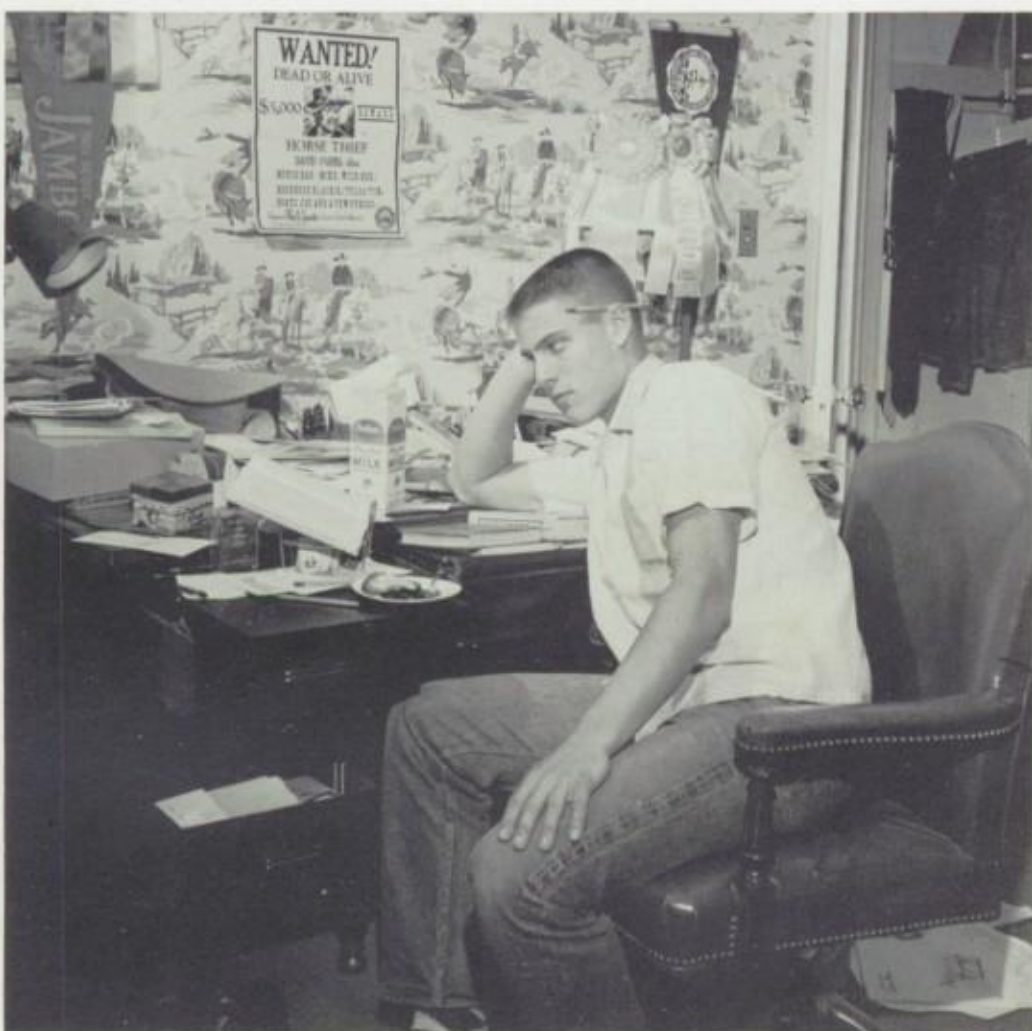

SENIOR CLASS SECRETARY, president of her "Y" club, and busy with numerous committees, Nan Cundick finds that becoming 1958's "Typical" girl puts her as one of those at the head of her class. She loves to cook; she hates to sew; she loves to dance. As for food, she hates fish of all kinds, except tuna. Nan's favorite food is steak. Her likes and dislikes are typical of most seniors. Looking like any other senior Nan could be seen promenading the halls, lounging in the Student Body room, and heading for the Harbor gift shop where she works.

IN SCHOOL OR OUT, there's never a dull moment when David Parma, "58" senior typical, is around. Lounging in the student body room, driving Ott's delivery truck or watching his favorite program on T.V. (Mat Dillon) are just some of Dave's pleasures. This year Dave was senior class president and an active member of Key Club. He spends much time on the Riviera with his horses, "Miss Driftwood" and "Smoky Joe." Among many other honors, Dave reigned as King at the King of Hearts Dance. On Dave's taboo list (as far as food goes) are pickles, hard-boiled eggs, and asparagus. When out for dinner he orders nothing but

Typicals

shrimp. An all-around guy, Dave enjoys basketball, parties and rec dances. In the future Dave may be found somewhere in the medical field.

Theater Arts

CAN YOU SPEAK in front of an assembly of 500 people? Are you able to express emotions adequately on the stage? Theater Arts gives speech and dramatic training for those who have these interests. Some of the plays which this class has produced are "Letters to Lucerne," "Our Town," and a series of one-act plays.

MASQUERADE PARTY? No, just some SBHS top-flight actors and actresses preparing for the first big play of the year, "Letters to Lucerne." Putting on their faces are Tom Liatas, Herb Bernau, Diana Meyers, and Patti Gastwirth.

"I THINK this story will fill the hole on the sports page," Mr. Maynard Male, printing adviser for the Forge tells Mrs. Dorothy Brubeck, adviser and J. Hovey, business manager; M. Murphy, editor; and H. Caldwell, managing editor, as they "make up" next week's Forge for printing.

THE FORGE IS an extra addition to the social life of SBHS'ers. It covers the whole scope of school activity from humor to sports. The paper is published by qualified students who have studied newswriting and have achieved a 'B', and students in Typo Club print the paper. Hours and hours have gone into the success of the Forge that is distributed once a week.

SEEMING PLEASED with their product, Forge page editors, ROW ONE: C. Miner, A. Greene, D. Stromer, L. Bouma, P. Sands. ROW TWO: R. Saunders, B. Barrie, L. Leonard, J. Smith discuss last week's Forge and make plans for next week's issue.

Olive and Gold

IN SPITE OF a late start, inexperience, and such, the Olive and Gold staff worked diligently for over a year to finally complete the yearbook. Much time, effort, and many late hours were spent laying out the book, typing copy, and taking pictures. During January the staff was able to observe the production of the O&G, when they traveled down to the Mirro-Graphic Plant in Glendale. After this trip, the staff realized how important deadlines are, and why they must be met. The staff had a successful sales week when they sold over 1300 books. An assembly, where Judy Dinnogen was crowned the 1958 O & G Queen, climaxed a vigorous campaign.

A FINAL GLANCE is given to pages before they go to press by Pat Kuskey, Pam Kuskey, Bobbi Seither, Cindy Pierce, Mrs. Mary Lee Erwin, adviser; Linda Dawson, and Audrey Jung, editor.

STAFF MEMBERS Kay Revis, Judy Wilson, Linda Dawson, Don Coursey, Dennis Wilson, Linda Dearborne, and Jerry Arca are shown watching the printing of the end sheets at the Mirro-Graphic Company.

TO BE ELIGIBLE for Thespians, an honorary organization for dramatics students, one must have worked at least 100 hours rehearsing for shows. This year Thespians have had guest speakers and plan to present a play at the Pasadena Playhouse.

AT AN EXECUTIVE board meeting, the officers, L. G. Papai, K. Jacobsen, D. Meyer, P. Jameson, Mr. Duerr and H. Bernau of Thespians, discuss the program for the next meeting.

LIKE TO SING? Girls' Ensemble provides a great opportunity for any girl who wants to develop better singing techniques and who enjoys singing as well as music of all types. This year the girls performed in vari-

ous musical programs, and also added harmony to the Christmas show. Singing in these shows gave members good experience as well as the pleasure of entertaining others.

THE MEMBERS of the Double Male Quartet were also very active this year. They have given programs at various town clubs and also have participated in assemblies at SBHS and La Cumbre Junior High School.

ONE OF THE largest clubs at SBHS, Junior Statesmen of America provides plenty of interesting activities for its members. During the Christmas holidays Junior Statesmen sang carols and gave cookies to the sick and elderly at several rest homes around the city. Selling programs and cokes at the Easter Relays, the club made enough money to send a few selected members to J.S.A. summer school, held this year at Redlands University.

Throughout the year the members were addressed by various speakers representing city and county departments.

Several members representing SB High attended state and regional conventions rounding out a full year for Junior Statesmen of SBHS.

DISCUSSING IDEALS OF womanhood, aiding individuals, and working together as one, are the purposes of the Girls' League of Santa Barbara High School. In accomplishing both service projects and sponsoring social activities, their attempt to work out beneficial things never ceases. Contributing to the Council of Christmas Cheer and addressing envelopes for The March of Dimes have been just two of their service projects which have taken much of the league's time. Social events include the "Night and Day" and May Dances. The revelation of the May Queen is a highlight of the year, and one of the Girls' League's most exciting activities.

A ROUGH and ready football team started the season with a good chance to go to C.I.F. this year, but with the sickness of some outstanding players, and a few bad breaks, the team lost three games. The first game of the season with Loyola was called off because the Loyola team came down with the flu. After a few phone calls Athletic Director Clarence Schutte finally scheduled a game with the Paso Robles Bearcats.

The team left Santa Barbara in high spirits and came back with a convincing 46-0 win. Charlie Breck, Eddie Castillo and Bill Oakley were the stars. Breck and Castillo each contributed 18 and 16 points respectively. Oakley threw three touchdown passes. After the convincing win over the Bearcats the Dons took on a fairly easy Corona team. Confident after their 46-0 win, the Dons barely pulled out their second win in two starts. Leading 14-0 at the half they blew the lead and were headed 19-14 going into the fourth quarter. With some brilliant passing by Oakley, and some all-around good play-

ing, the Santa Barbara crew gained a 20-19 win over Corona. The two place kicks by Castillo made the difference. After two wins in a row the Dons lost to a strong Centennial team that downed them 0-7. Encountering their first loss of the season, Santa Barbara wanted to win the next game with Santa Maria very much. First of all they wanted to win the trophy that they had lost last year. They accomplished this, winning the game 18-12. Traveling to Redlands for what most people say was the toughest encounter of the season, the Dons returned in triumph by playing excellent ball to win 14-12.

Again the two extra points by Eddie Castillo made the difference.

The next four games were scheduled with the other teams that were in the newly-formed Channel League. The first game, with Oxnard, supposedly the deciding game of the Channel League championship, was played at the local Peabody Stadium. With many top players out with the flu, the Dons lost a heart-breaker, 9-12. Leading 9-6 going into the fourth quarter, Santa Barbara couldn't contain Oxnard's two top running backs, and Oxnard scored once more to win, 9-12. Encountering their next

game with Antelope Valley, there, the Dons lost again, 7-13. The Dons penetrated into enemy territory, but couldn't score. Final score: 7-13. With all hope lost for a C.I.F. team and a Channel League Championship, the Dons still played fired-up ball to beat Ventura, 26-7, with Charlie Breck scoring twice and Eddie Castillo once. Oakley again played fired-up ball, passing for two touchdowns. Their last game of the season was played with Santa Paula. The Dons won, 35-0, giving them a 6-3 season record.

This year the Dons produced three outstanding backs in Bill Oakley, Charlie Breck and Eddie Castillo. Oakley was the top passer, connecting with a 47 per cent average. Breck and Castillo were the top rushers. Two of these players, Oakley and Breck, were voted to the All-League team. Oakley was voted the outstanding quarterback in the league, while Breck was on the second team as a halfback. Sam Dumas, outstanding lineman for the year, was chosen to the second all C.I.F. team.

THE SANTA BARBARA DON varsity basketball team turned out to be the surprise cage team of the 1957-58 Channel League hoop season as they finished in second place with a 5-3 record. Besides finishing second in loop play the Dons gained a spot in the Central Group C.I.F. playoffs. It marked the first time a Don cage team had entered in C.I.F. playoff competition since 1953.

This past season was the Dons' first in Channel League play. After getting off to a slow start, Coach Gene Snyder's quintet began to move into the winner's circle and were able to win six of their last nine games. Five of their last six were league victories. Because of the Dons' pre-league showing the Don quintet was figured to give little competition to the rest of the

league, but behind the fine coaching of Gene Snyder, the Dons were in the race for the Channel League championship to the last week. At the dawn of the basketball season, Coach Snyder in his second year of coaching at SBHS, began building a varsity squad which lacked experience and height. Only three of the 19 varsity prospects had played in a varsity game before. Also, four top prospects had just finished out the football season and were not able to practice with the rest of the team until a week before the opening court game of the season. But soon after the opening of the season the Dons found themselves behind the shooting of forward Tom Bleauvelt, guard Dave Hackett, and Robert Looney, who alternated at center and forward this past season.

"And the score goes up another notch!"

THE DONS finished the season with an over-all record of 9-14 with their fine play toward the end of the season placing them in the C.I.F. playoffs against Hawthorne High School. The Hawthorne quintet's superior height proved to be the winning advantage in the game held at Hawthorne as the home team won handily, 71 to 47, but not until after a gallant fight

by the Olive and Gold five in the first three quarters. In the final quarter Hawthorne seemed to have worn down the weary Dons who finished out their best season in three years. Forward Tom Bleauvelt contributed 15 points in the playoff game to finish out a great season in his senior year.

ALTHOUGH HAMPERED by rain, this year's track team under the coaching of Bill Crow, has had a very successful season to press time. They scheduled a total of 21 meets for the season, counting the CIF quarter finals, semi-finals, and finals. During their first seven meets, four of which were rained out, the Dons compiled wins over Santa Paula and Ventura in a triangular meet, and Antelope Valley and Ventura in dual meets. The scores were 88½-5-35, 60½-43½, and 95½-8½ respectively. These scores show the high potential of the track team, which is one of the best to come out of Santa Barbara in many years.

Some of the outstanding athletes this year include Charlie Breck, who has vaulted 13'6" already this year and is ranked second in CIF; Tommy Tucker, who broke the school record of 54'7" in the shot put with a heave of 55'6½"; Joe Cheverez, who has broad jumped 22'10" and run the 180-yard low hurdles in 20.9; Mike Baker and Fred Nedeick, who have each high jumped 5'11¾"; and Darryl Daggett, who was timed unofficially at 51.4 in the quarter mile. This year's team, which is made up mostly of seniors, promised to be one of the greatest track teams in Santa Barbara's history.

CROSS COUNTRY, in its second year, started out the fall semester under the able coaching of Bill Crow. This year there were league meets scheduled with all the teams in the newly-formed Channel League. The Dons, winning the first Cross Country Channel-League championship, placed one man in CIF. Ben Ames, who set a new SBHS Cross Country record with a time of 9:10.5, placed eighteenth out of a field of seventy contestants.

Not far behind in the meet races was Captain John Smith, who went to the CIF Quarter Finals. The Junior Varsity which placed second in the league, looks forward to a promising season next year.

This year's varsity team was composed of one senior, John Smith, and all the rest juniors and sophomores. Coach Crow is looking forward to another championship next year.

Coach Chuck Sylvester is in his ninth year of coaching varsity baseball here at SBHS, and has produced many fine diamond teams since he came to SBHS. Sylvester-coached teams have entered the CIF playoffs seven times in the last eight years. The

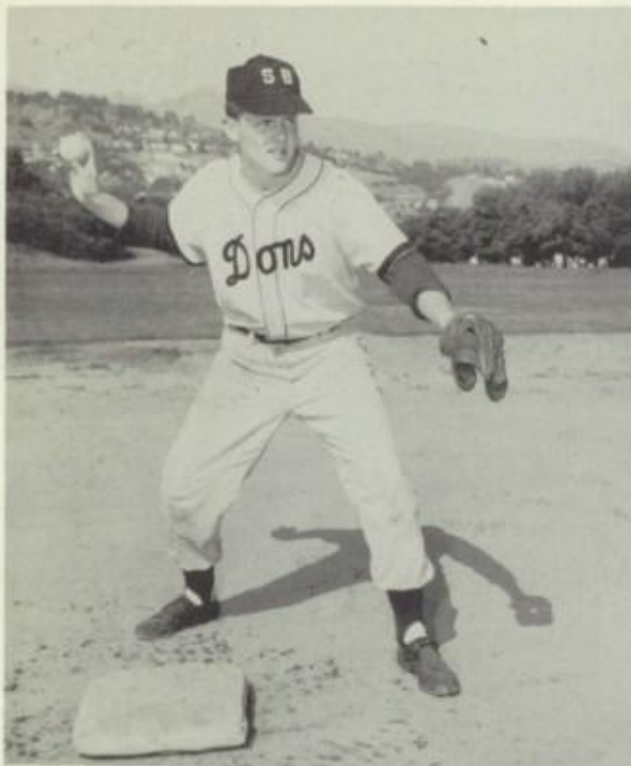

Don baseball team opened the 1958 season by routing the Santa Monica High School diamond squad, 14-0, behind the fine pitching of Bill Oakley. The Dons displayed their great potential as a team in the opener.

THE SANTA Barbara High School varsity golf team under the able coaching of Clarence H. Schutte started its fifth year here at the high school.

This year's team did not measure up to the golf teams of the past few years, but nevertheless they gave competition to the opposing teams.

Leading the Don varsity this year on the golf links

were seniors George Downing and Don Sturmer. Coach Schutte is hoping for an improvement next year with the experience of this year's sophomores and juniors. Sophomore Dick Edwards and juniors Doug Taylor, Don Downer, and Toby Welo will lead the team next season when they move up.

THE SANTA BARBARA High School swim team, coached by Mike Moropoulus, opened the season looking toward a better season than last year.

The swim team is composed of Varsity, Bee, and Cee squads. Rounding out the varsity are such tank men as Ken Doctor, who set a new high school 100-yard freestyle record; Keith Legg, 200-yard freestyle; Brian Allen, who set a new 100-yard

butterfly record; Bob Davidson, 100-yard breast stroke; Dick O'Brien, 100-yard back stroke; and Tony Perez, diving.

Next season Coach Moropoulus will be hoping for a CIF challenging swim team because of the fine sophomore prospects who will be moving up to the varsity next season.

MEMBERS of the Don tennis squad are ROW ONE: R. Best, C. Preuss, G. Neilsen, B. McLeod, R. Allred, D. Neal, L. Oase, D. Bidgood, B. McKone. ROW TWO: P. Patrick, G. Dudder, T. Bleauvelt, K. Runyen, M. Fisher, R.

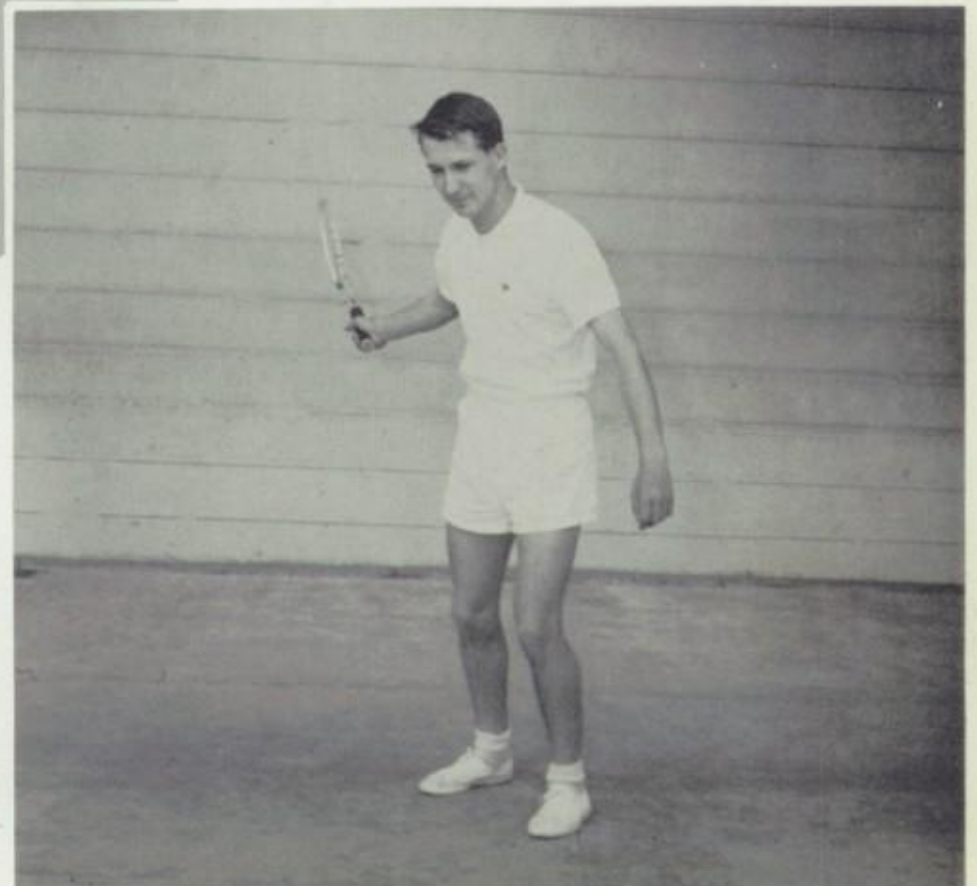

Headley, P. Foote, B. Storey, G. Forfota, S. Ebersole, D. McDowell, Riad Abi Aly, L. McGraw, Coach Gene Snyder.

THIS YEAR the tennis team, under the leadership of Coach Gene Snyder, started the season with a few inexperienced members. Varsity players were Bob McLeod, who led the team, Don Neal, Bill Storey, Peter Foote, Charles Preuss, Ron Allred, Grant Neilson, Larry Oase, Dave Bidgood, and Roger Best. The first meet of the season was with the UCSBC JV's, which the Dons won by a score of 4-3. Last year, each singles match counted one point, and each doubles match counted two points, but this year the ruling has been

changed to one point for the singles and also one point for the doubles. There are five singles and two doubles matches in a meet. The next meet the Dons, playing poorly, lost to Inglewood, 4-3. They defeated the next two teams, Santa Maria and Carpenteria, by identical scores, 7-0. Next season Coach Snyder expects to have a better team, with more experience behind them, since over half the varsity team is composed of sophomores and juniors.

Physical

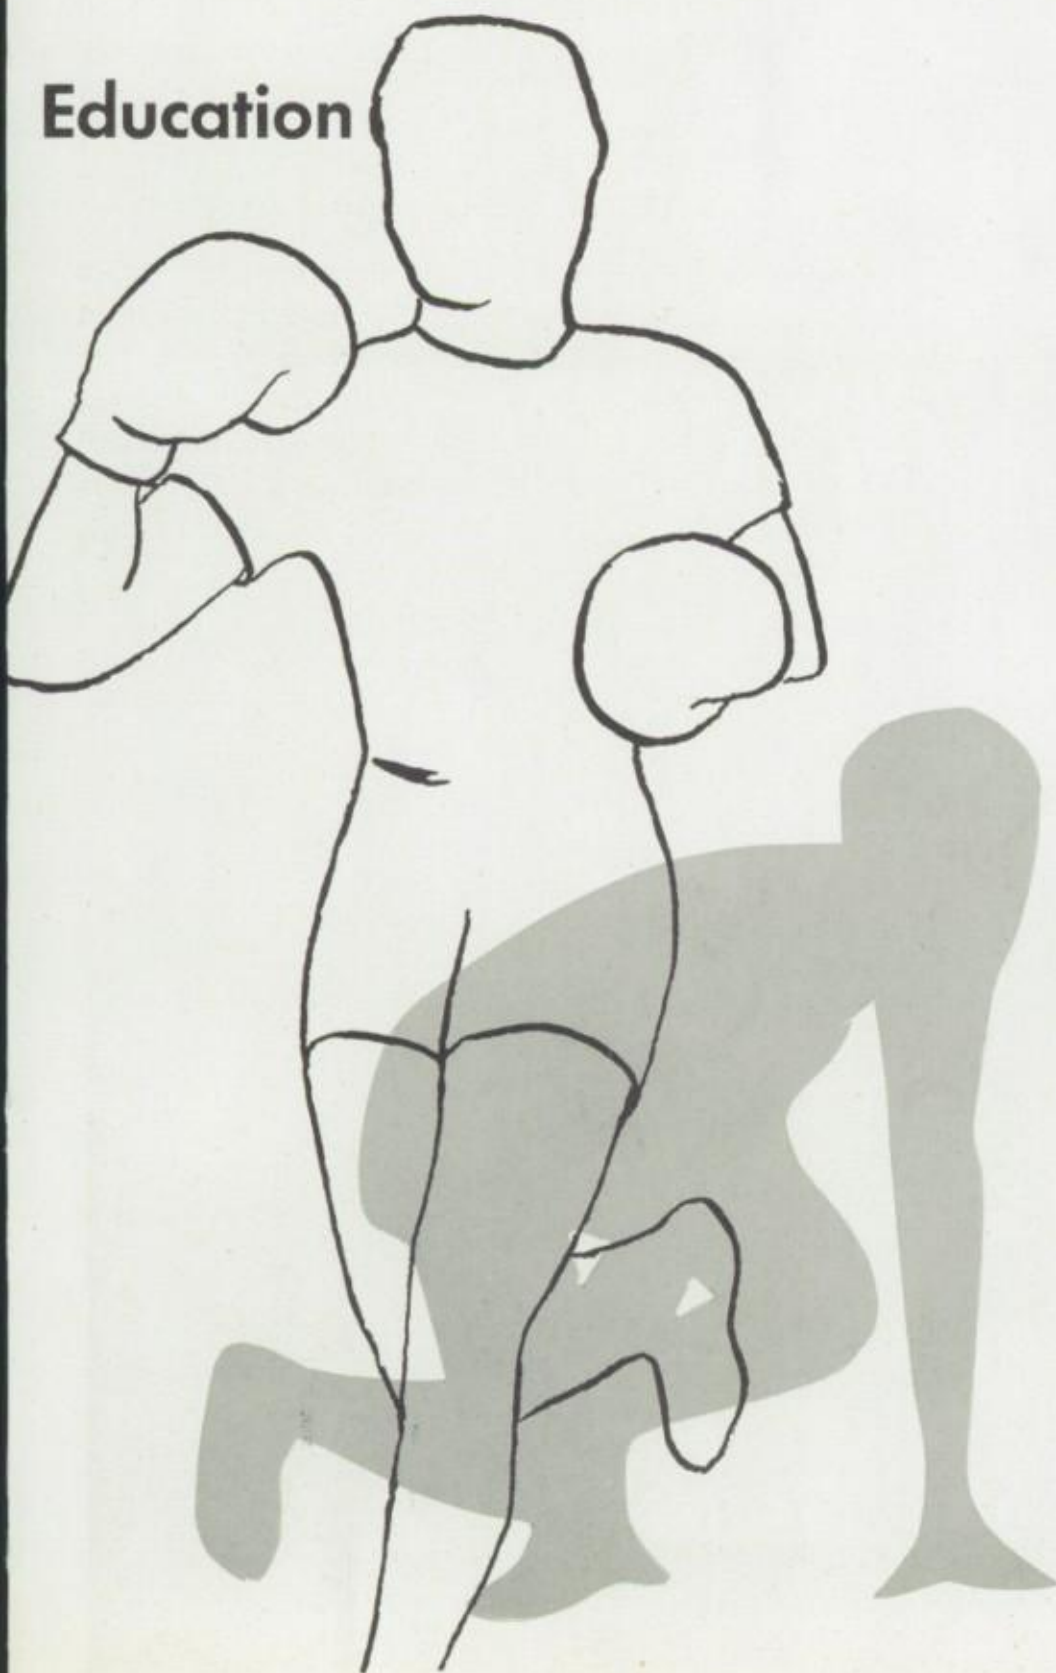

SANTA BARBARA High School offers one of the finest physical education programs in the country. Clarence H. Schutte heads the department and is partly responsible for this outstanding program. Instruction is given in the fundamentals and skills to every boy taking physical education. This includes twelve hours each in boxing, tumbling, wrestling, judo, tennis, trampoline, golf, badminton, and gymnastics.

Each student taking P.E. is also given twenty hours of swimming. Basic strokes, life saving, survival in water, and diving are the skills presented.

A testing program as well as instruction is carried on in touch football, basketball, track, softball, and volleyball. Football and basketball are the sports presented in the fall semester while track, softball, and volleyball cover the spring semester.

SUSPENSE RISES as members strain for the points which will untie the score.

THIS YEAR tennis again proved its popularity. A beginning tennis student demonstrates the correct way to serve.

PARTICIPATION IN the annual homecoming parade is one of the events in which the GAA takes part. Decorating a car are Diane Albrecht, Cecelia Cavaletto, Peggy Sands, Bonnie Toxby, and Lesley Andrews.

THE JOB of planning girls' interclass activities and out of town tournaments is taken on by the GAA Executive Board. ALL JUNIOR and senior girls take part in the fun and excitement of keeping the ball away from their opponents dur-

ing a game of speed-away, held during the sixth period sports class.

Varied

Sports

STANCE, GRIP, and follow through are some of the fundamentals of golfing taught to girls by Miss Barbara Wright.

VOLLEY-TENNIS, an interesting take-off of volley-ball, has the girls waiting for a swat at the ball during a fifth period tournament.

EVEN THOUGH both tennis teams desire victory as their scores are tallied, good sportsmanship and fairness are always more important.

THE SWISH of the arrow and the thump in the target's red are archery's satisfying sounds.

PRACTICE AND SKILL help tennis students gain perfection as a strong serve is smashed into the opponents' court by Elizabeth Sundin.

MEMBERS of an advanced class do one of the many different modern routines.

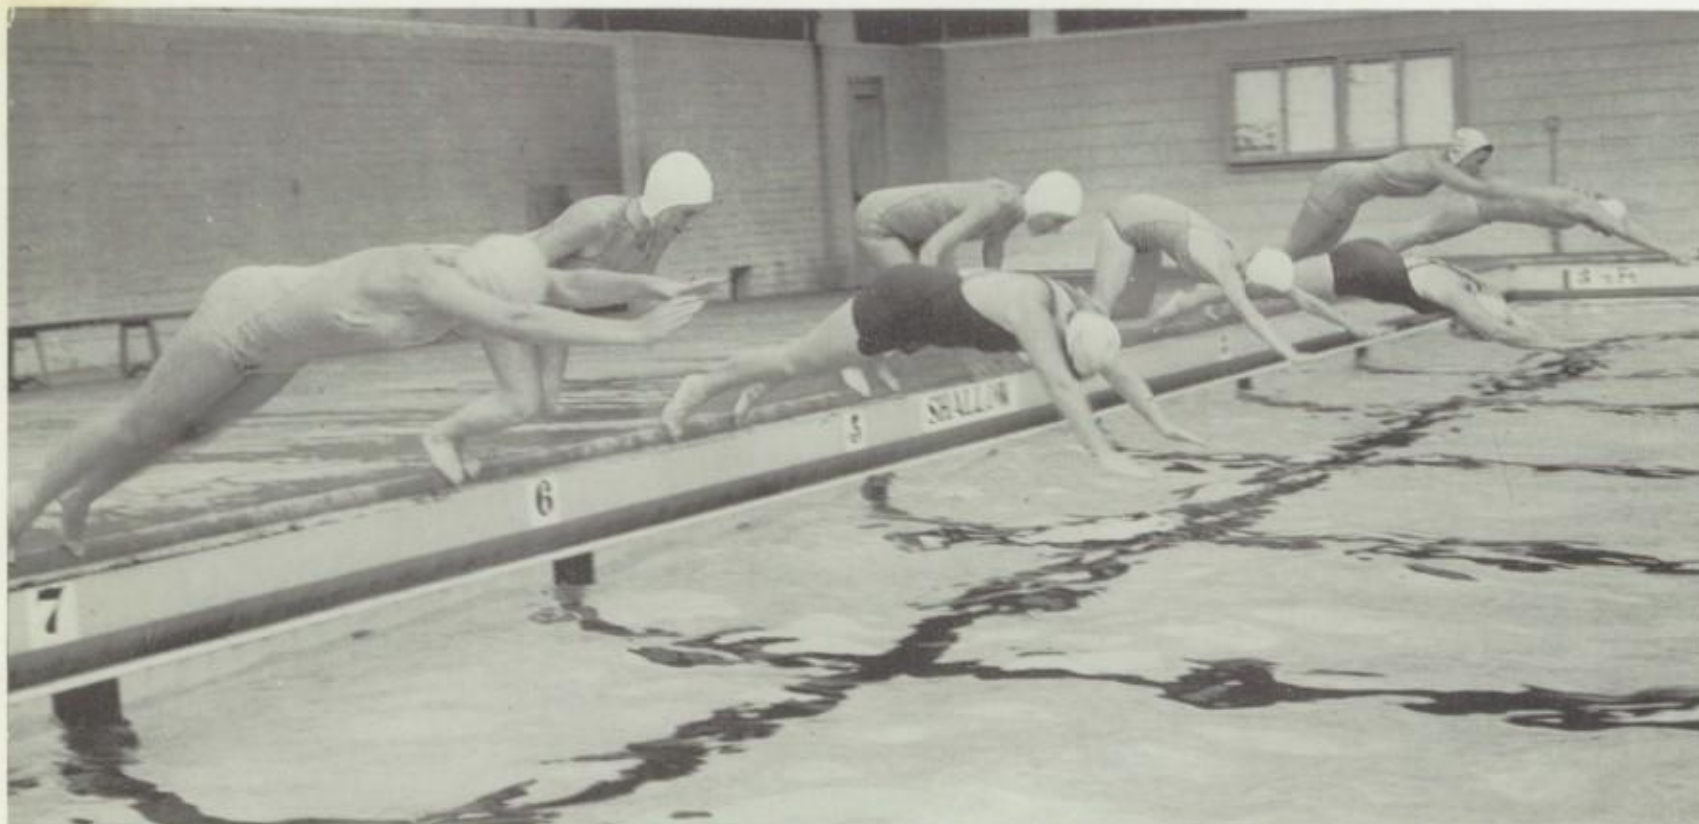

GRACEFUL EXPRESSION of emotion in time with music is practiced by the dance group participating in "Brigadoon."

THE BALL is traveling hard and fast over the plate. Whop! It's a home run!

Swimming

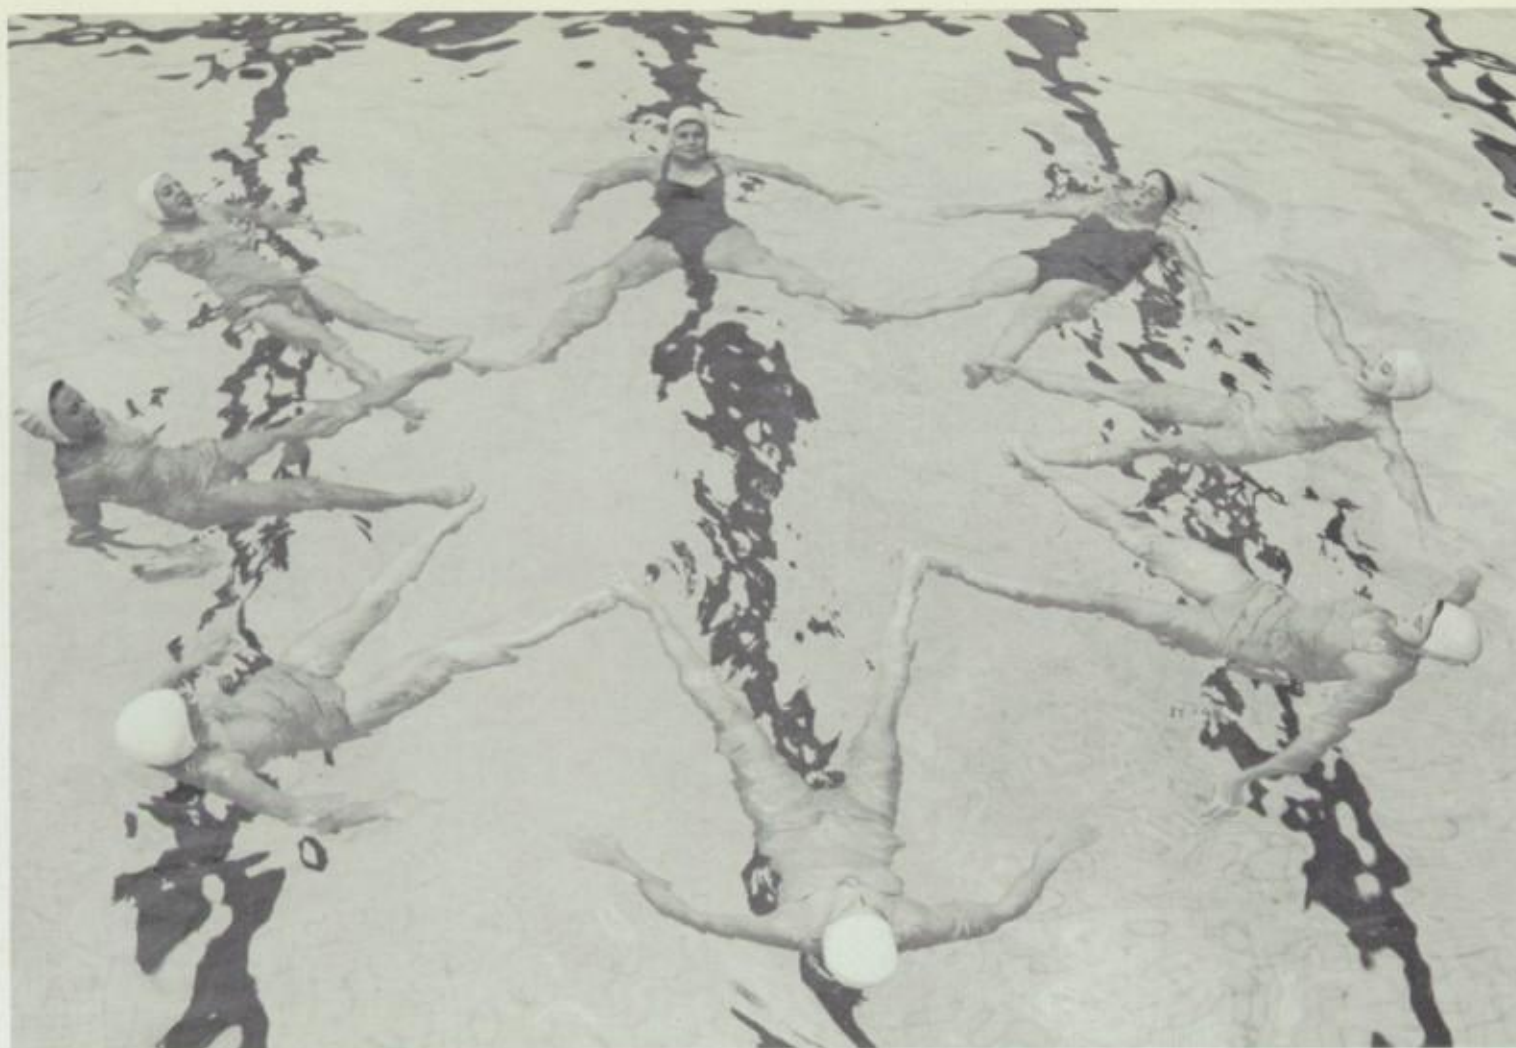

SWIMMERS TAKE your marks, get set, "Bang!" And they're off! The girls participate in inner-class racing as well as

in swim meets with other southern California schools.

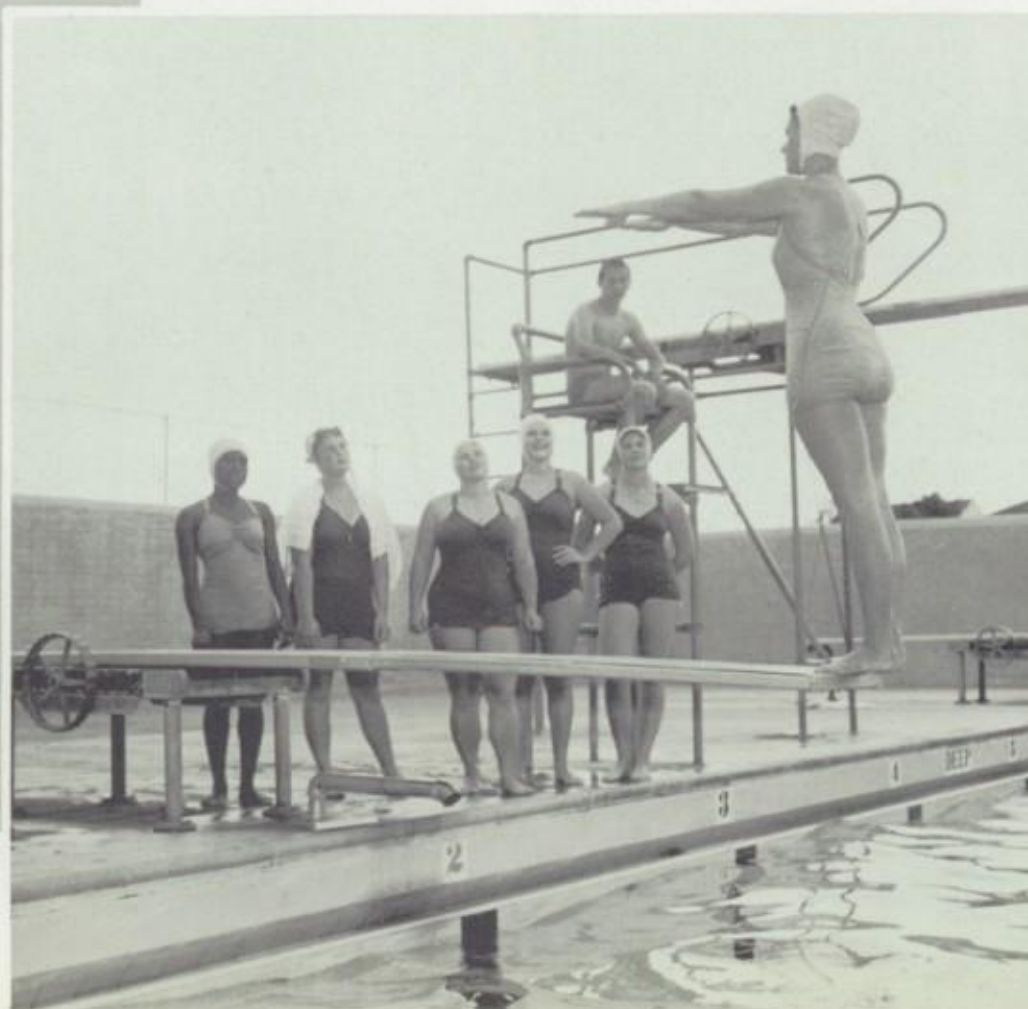

DIVING COMPETITION is one of the thrilling highlights of a swim meet. Pat Jacquemain gives the team a fair amount of points as she executes a perfect one-and-a-half.

PRACTICING FOR the presentation of "Marine Masquerade" are the members of the fifth period swim class who swam to "Soft Sands." From left to right are: B. Chackel, N. Corn, M. Hepp, N. Schaub, C. Black, L. Dearborne, N. Downes, and M. Buchanan.

RHYTHMIC SWIMMING and water ballet are essential for the girls wishing to participate in the spring water production this year, entitled "Marine Masquerade." Putting on the show required a great deal of time, patience and helpful suggestions from Mrs. Doris Rumsey, as well as long hours of practice from the girls.

FOR THE MORE advanced groups, some diving instruction is given although the girls are mostly on their own. Marla Hepp demonstrates the correct form for a back-dive while members of the fifth period swim class look on.

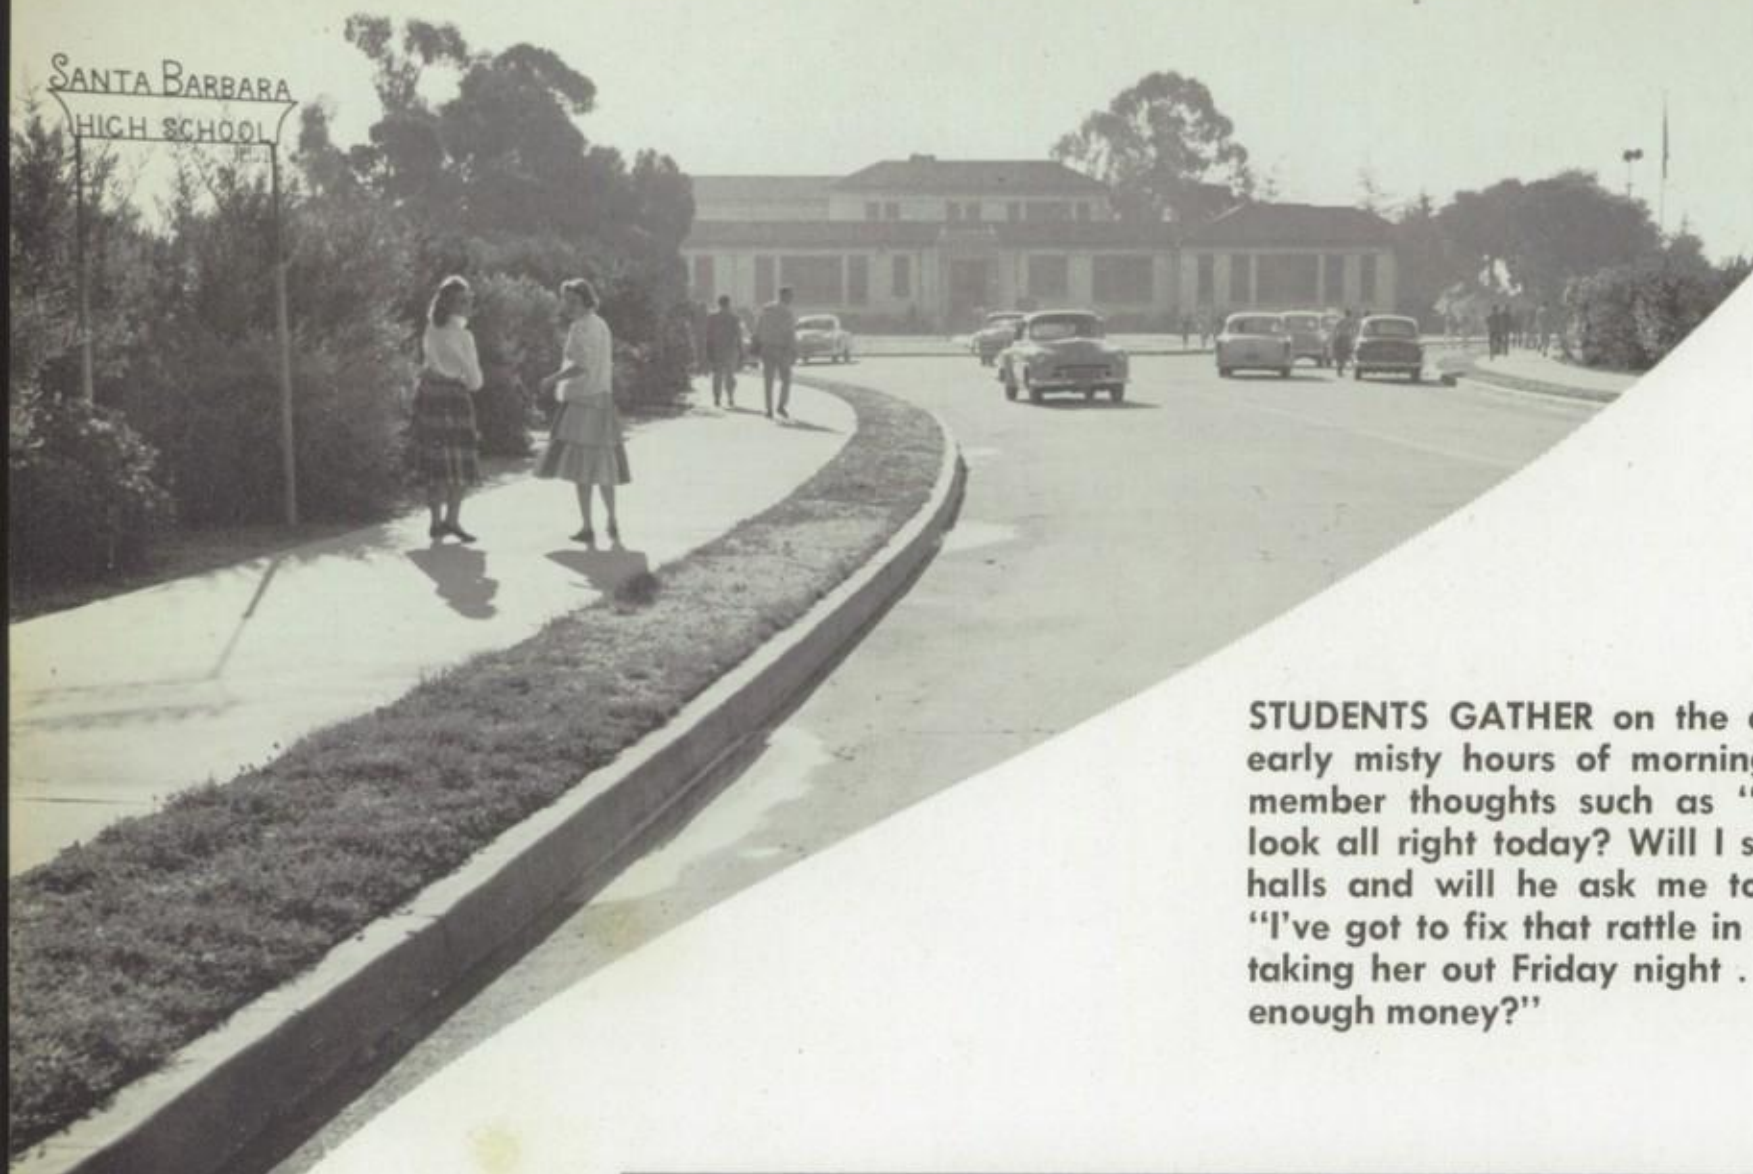

Student Life

•Danced All Night”

SANTA BARBARA HIGH SCHOOL

STUDENTS GATHER on the campus in the early misty hours of morning. Do you remember thoughts such as "I wonder if I look all right today? Will I see Dick in the halls and will he ask me to the dance?" "I've got to fix that rattle in my car before taking her out Friday night . . . will I have enough money?"

IN CLASS Florence Erickson and John Smith practice putting more feeling into a play.

THOSE GROWLING STOMACHS are finally satisfied when lunch time comes.

"School Days"

STUDENTS AT SBHS are no different than teenagers all over the country. We like to dance, go to football games, meet new kids, and remember the thrills of our first formal dances. We like to work and have fun too—it can be done!

KIDS FIND the library a good place to study when finals are around the corner.

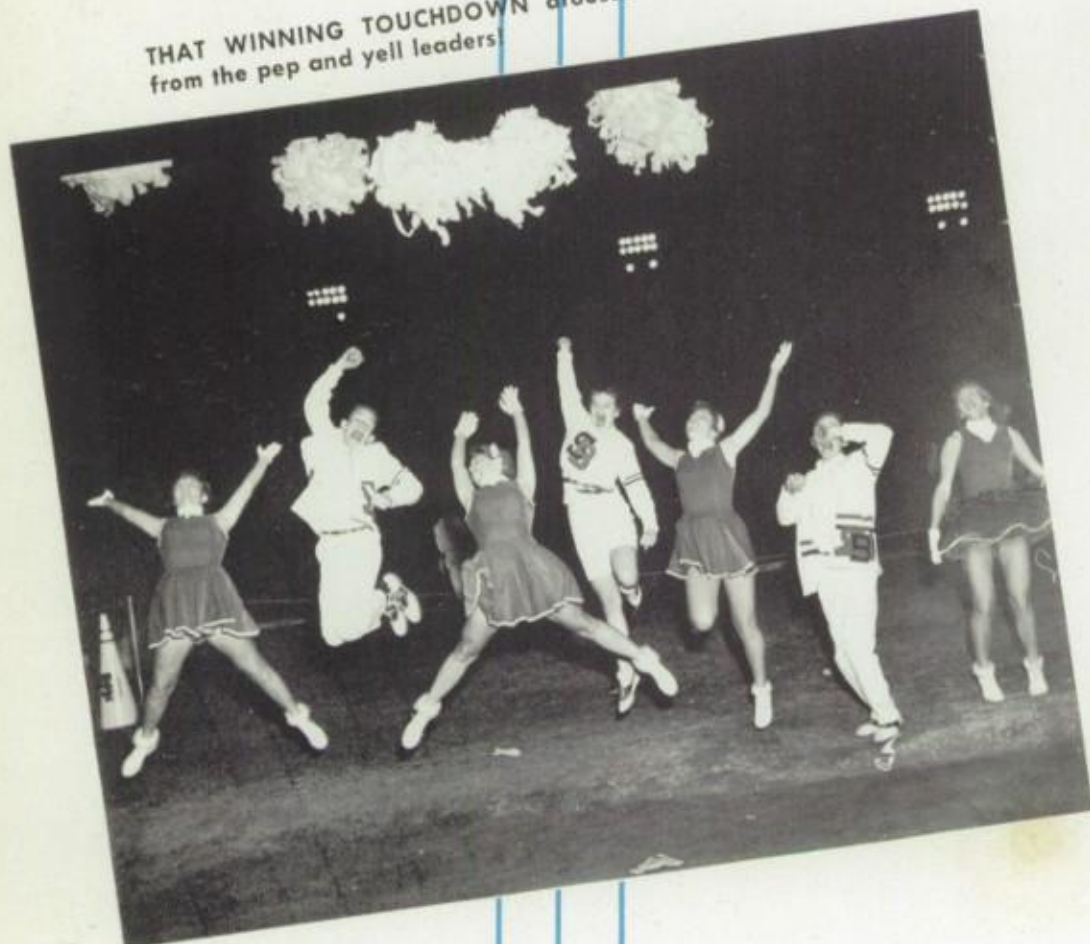

ON A RAINY DAY students wait between periods to use the phone in the attendance office to call for rides home.

EVERYONE was anxious to return to school as the activities of summer vacation began to taper. We saw old friends and met new ones. Some of us rearranged our classes or switched from first to second session as we found we were too sleepy in the early hours of morning to drag ourselves from comfortable beds. Once again homework, football games followed by Rec dances, sitting in the "Onion" and cruising "State" became the regular pattern of our daily lives.

THE END of the day and "Where will I meet you in town?" can be heard through the blasting of horns and the blaring of radios.

THAT WINNING TOUCHDOWN arouses a surge of joy from the pep and yell leaders!

WHAT GOES into a pompon? Lots of fun, crepe paper, and effort. Pompon parties are held at various houses during football season.

SCHOOL SPIRIT is portrayed in rhythm and spirit by the SBHS Band and Donettes.

A TENSE CROWD waits for the referee's final decision.

"The Thrill of a Game".....

EVERYONE "drags" State Street after the game.

PIGSKIN PROM couples watch the formal presentation of the 1957 Homecoming candidates and Queen.

LOTS OF TIME and effort is spent poking crepe paper into little wire holes in preparation for the annual Homecoming Parade.

RADIANT QUEEN Marla Hepp reigns over the Homecoming game with Oxnard. Candidates are from left: Linda Rearwin, Phyllis Haskell, Chloe

Wilder, Judy Dinnogen, Queen Marla, Pattie Cavaletto, Elizabeth Lee, Anita Walker, Adele Smith, and Joanie Rudolph.

"Sweet and Lovely"

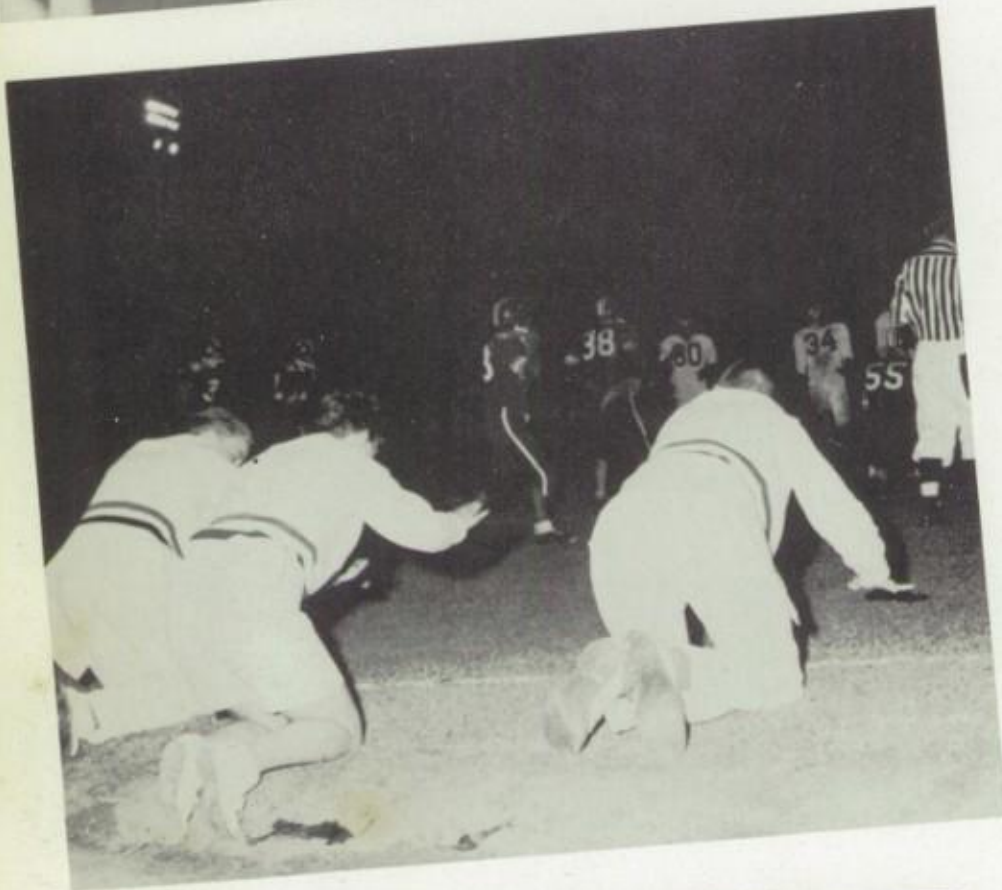

1957 Homecoming Queen—Marla Hepp

"Remember the

WHO CAN ever forget the fun of piling ceiling-high into a special bus for an out-of-town game? How did the driver tolerate it? Sounds ranged from the clanging of cow bells and blasting of horns to the screamed notes of school songs and yells. On the return trip things were considerably quieter!

PRAISE BE to the Dons! Pep, yell, and song leaders boosted the spirit of rooters. Some sophomores and others too pretended to know the game but came to see friends or just to get dressed up. Seniors felt nostalgic at the last game of the season and as we sang the Alma Mater, tears filled the eyes of many.

ROCK 'N ROLL was still the popular style of dancing and many variations were seen at the Rec. It didn't take Riad Abi Aly, foreign exchange student, any time to catch on. He had won a rock 'n roll dancing contest in his own country, Lebanon. High school kids provided the music with their own bands.

Night"

OH YES! We took time out from our regular Friday night activities to see best friends in "Letters to Lucerne." Some kids in the theater arts classes put in lots of precious outside time preparing for the big night.

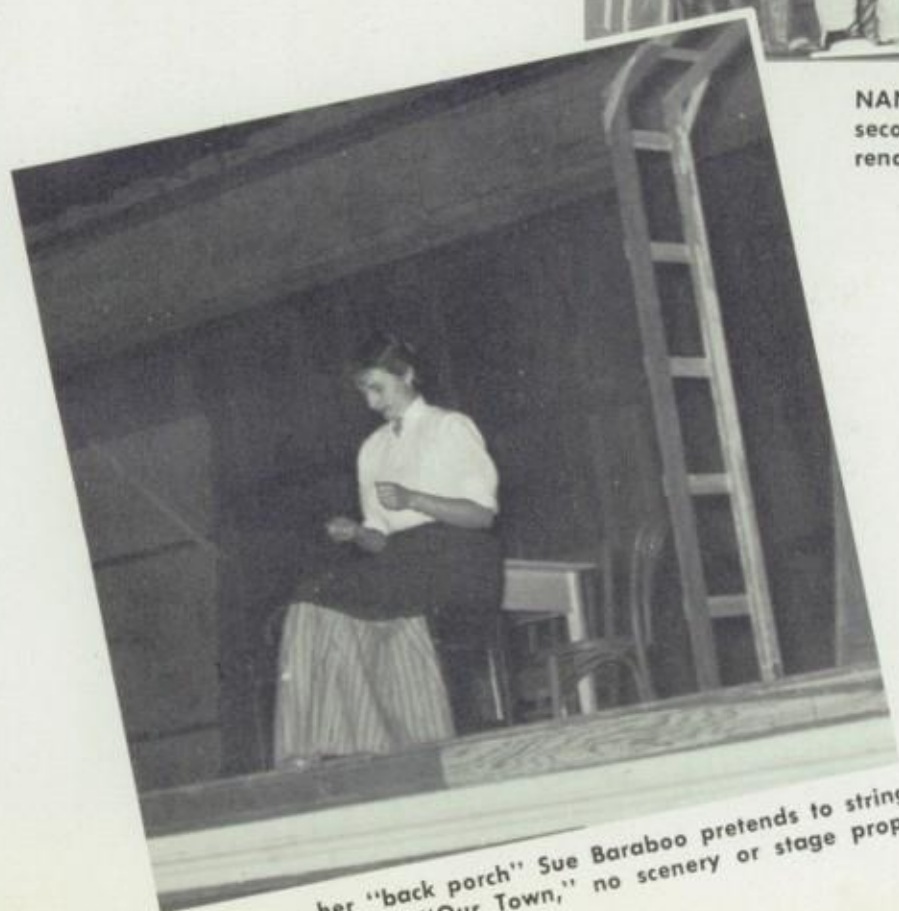

Stomachs ached from riotous laughter at three sophomores who did a takeoff of radio station "PUKE." Every radio station can be heard but this one also smelled! The Boys' and Girls' League talent show featured numerous hilarious acts.

LETTERS TO LUCERNE, a moving three-act play about the racial conflicts of girls from different countries in a boarding school during World War II, was well received by the audiences.

NANCI FISH, Karen Harvey and Lorie Drammer are presented as winners in the second assembly of the Boys' and Girls' League talent show. They did a humorous rendition of "Charlie My Boy."

SITTING on her "back porch" Sue Baraboo pretends to string beans. In the play "Our Town," no scenery or stage props were used.

For those who had never read "Our Town" a surprise was in store when it was presented in our auditorium. Ladders were the upstairs bedrooms of houses and cooking breakfast and making sodas were pantomimed.

PHOTOGRAPHERS Bill Van Camp, Shields Cureton, Knute Crawford, and Sylvan Malis "work vigorously" to meet a deadline.

PASSING the jelly beans to Mike Hallor at the Key Club-Usherettes party is Steve Tharp.

WE WEREN'T continually at the kitchen table engrossed in our text books. There was always a party or we could take in a show or play miniature golf. Slumber parties were planned; we took hikes and went shooting, rode horses, learned to water ski and bowled. How hard it was to look out of classroom windows at snow-capped mountains during those few days of March wondering if it would be melted by the time we managed to get up there!

A POSTER SUGGESTION from pep leader campaign manager Gordon Miller is considered by candidates Roxy Gorham, Gretchen Haug, Nancy Guzman and members of their committee.

"LET'S TRY it over again," Daphne Kingma tells Prudy Bergman, Bonnie Nagy and Judy Deckard during play practice in Room 210.

SOPHOMORE Dennis Wilson looks tired after spending many hours looking over photographer Knute Crawford's work with Jon Crawford.

DURING the closing months of the school year we once again made our regular rounds of the beaches. "That faded look" soon disappeared as we lay basking in the sun on the weekends. The widespread array of activities took a sizeable amount of money—there was so much to buy! Toward the month's end, all the "pops" found their pocketbooks considerably thinner.

Dave Parma--1958 King of Hearts

THE KING'S COURT gathers 'round immediately after presenting Dave Parma as the 1958 King of Hearts. Other candidates and their dates are from left: Frank Dutra, Chloe Wilder, Wesley Thielst, Judy

Dinnogen, Lon Fletcher, Phyllis Haskell, Nan Cundick, Larry Leifer, Betty Ligon, Kay Hayward, Mike Baker, Sam Dumas, Marla Hepp, Adele Smith, Gordon Miller, Bill Oakley, and Joan Rudolph.

THE KING OF HEARTS happily takes advantage of his title as the crowd looks on amused.

PART OF THE REFRESHMENTS for the dance was a cake with the names of the candidates on the frosting.

HOW FAST would you react if a truck came bearing down on you at an intersection? The drive-mobile makes the rounds of driver training classes testing reaction, eyes for color-blindness, and steadiness.

Along with the incoming second semester were rain and cold weather. On a few occasions when after a beautiful, sunny morning, a cloudburst came during sixth period, kids ran frantically to their cars to close windows.

This was a year of many fads, including the chemise dress which was popular with the girls. Our male population at SBHS gave various opinions on the fashions, some quite humorous! We'll remember this as the year of the Sputnik, "Muttnik," the one with the dog, and the launching of various U.S. satellites. Amazing how nonchalant we became about these and the rockets circling the earth at such tremendous speeds.

"SAY IT WITH MUSIC," presented by the SBHS orchestra and band, featured a waltz melody of "What'll I Do?", "Remember," "The Song Is Ended," and "Always," the last featuring vocalist Myrlene Varner, above.

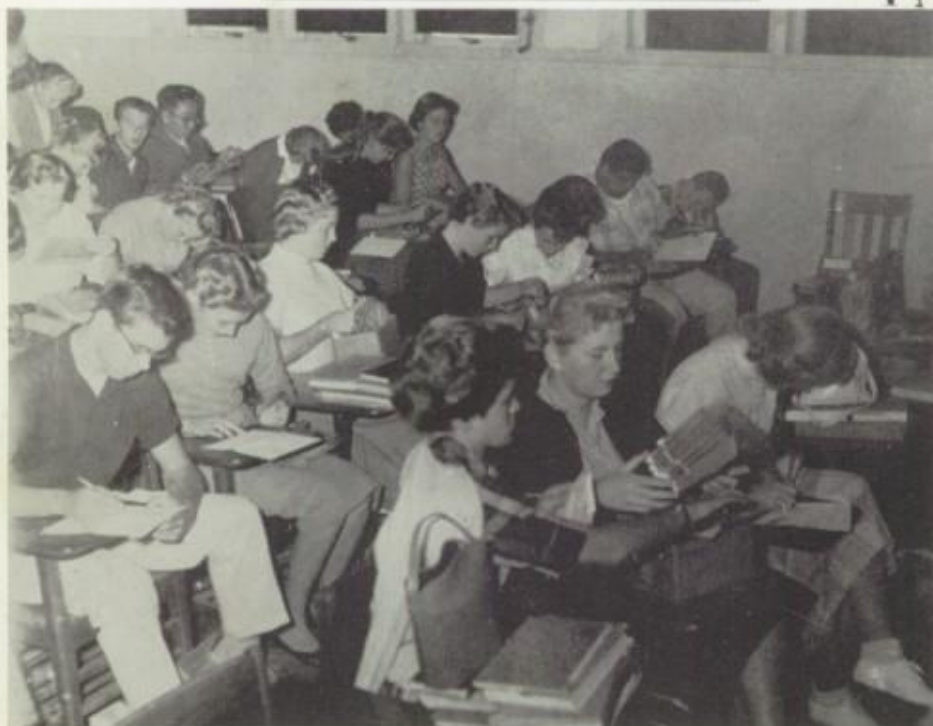

LINDA RANALDI and Eddie Naretto, left, took first place for the most original outfits at the Harvest Dance. Shirley Bertanyi and David Scheef won second prize.

WHO COULD ever guess that three typical senior boys actually put some effort into the making of pom-poms at parties? Richard Power, Peter Patrick, and Larry Leifer work industriously to finish them for a game.

NARD SAVANT, Joyce Christian, Maryann Canatsey and Tom Long were nominated by the Junior Class to represent SBHS in the American Field Service Program abroad. Maryann and Nard were selected from the group and will spend the summer with a European family.

LEGISLATURE MEMBERS sort individual pictures for what the Olive and Gold staff hopes will be an award-winning yearbook.

Awards

DIANA MEYER won first place in the annual Betty Crocker Home-making Contest. She was tested on general homemaking knowledge and attitude.

RON MURROUGHS records his speech on "Community Service—A Way of Life" which took first place in the 23rd annual Lions' Club Speech Contest.

BETTY LIGON, an outstanding student, received the DAR award for scholarship, patriotism, leadership and responsibility.

The May Dance is considered a social highlight of the year, especially by the seniors as this is the last formal.

May Queen candidates and their dates are from left, ROW ONE: Judy Dinnogen, Elizabeth Lee, Kate Hand, crown bearer, Queen Shirley, Marla Hepp, Chloe Wilder, and Julie Harmon. ROW TWO: Patty Gastwirth, Carter Hines, Patty Cavaletto, Lon Fletcher, Wesley

Thielst, Peter Patrick, Mike Saunders, Larry Leifer, Betty Ligon, Chuck Preuss, Barkley Wycoff, Frank Dutra, Neil Renga, Sam Battistone, Nan Cundick, John Laughlin, Phyllis Haskell.

than Springtime"

OUT OF ALL high school memories we probably cherish our first formal dance the most. Boys will remember things like scraping up enough courage to invite his "dream come true," asking her friends the color of her dress so he can get the proper corsage, spending a half hour or more before the mirror trying to get the right effect for his hair and taking the final steps to her door on shaky feet. For a girl there is always the thrill of picking out her formal, spending most of the day in the beauty salon and after the dance pinning her invitation and corsage to her bulletin board.

With Spring come beach parties, moonlight, spur of the moment picnics at Paradise, a game of tennis, and sometimes even the inspiration of cleaning your room or washing the car.

It's hard to watch the seniors get out of school a week early as they practice for graduation, have wiener roasts and informal get-togethers. "S'Wonderful" they say about the all night party held at the Biltmore Coral Casino.

... Finally we say "I'll Be Seeing You," knowing that next year the halls will seem empty without the seniors of '58.
